

ActionListener

```
graph BT; ControllerActions[controlador.ControladorAcciones<br/>MenuConfig] --> ActionListener[ActionListener];
```

The diagram illustrates an inheritance relationship. At the top is a white box labeled 'ActionListener'. Below it is a gray box containing the text 'controlador.ControladorAcciones' and 'MenuConfig' on two lines. A blue arrow points from the top of the gray box up to the bottom of the white box, indicating that the classes in the gray box inherit from the ActionListener interface.

controlador.ControladorAcciones
MenuConfig
